Emma, child of the stars of our pure folk!

Like hardly any other folk, the bunch of mindless and UN-educated of the former holy race, kept as GERMAN in the playpen of the GERMANY administration and suppressed by the enemy media, by the Zionist enemy of life by means of artificial and malicious magically created danger of life, is cheated into the third big war. Once again, this war is largely against GERMAN and everything upright! As in the second part of the great war of the 20th Century, Sweden, for example, remained neutral again. The "virus", which is so full of intelligence naturally accepts Sweden's neutrality. And as a German saying goes: My Grandma rides a motorcycle in her hen-house.

Somehow, nobody really seems to want to die, at least not from the causes of the political corona hysteria invented by William Rockefeller (alias Bill Gates) and his family scum. So a broken neck purely from medical certification clearly means "corona death"; same cause of death certifies the accident site inspector, who calls himself an "emergency doctor", when he inspects the remains of someone, who was alive just a few moments ago, and whose vehicle merged into a tree by the roadside. In the trauma unit, relatives, who have been notified in a hurry, sign the accident report of the emergency doctor in shock, together with his false certificate, **but overlook in the condition of their mental paralysis the statement, which documents the dead person with the Cause of death "Corona"**. For the relatives, only the death of the loved one plays a primary role, but the Corona statistics are happy about every other representative, who encourages this lie.

But even this nonsense, like the following one, has very soon reached the end of the line.

More and more "customers" invited to a "boat party", ask the robe wearer, who calls himself captain, first of all, whether he really and truly has the ability to steer the ship safe, and furthermore **legally sound** (certificate of appointment; Memorandum of the so-called "BRD, state people, state borders, etc.), across the "oceans of the world". One or two of the fraudsters of this BAR - Clan may have their chins drop towards their ball-less pants, but arbitrariness also makes up for this circumstance of deception.

Allegedly awakened bell ringers **voluntarily** run to their tormentors, as happened on July 10th in Potsdam, when a certain Heiko Schrang was already writing burning flags to fight for justice in the arbitrary-ship. Now the peaceful bald head from the Berlin area is back from his "sailing trip"? A sentence could not be communicated to the good man at the moment of his already established conviction, were the seafarers on board very afraid of the 1,000 or so people, supporters of Heiko Schrang, waiting "in port".

Regulations (**In german: VER-Ordnung, Meaning: Against the divine order!**) - also known as

"LAWS - of these deceivers are so clear and structurally so obvious that it seems like they are taking the piss, wanting to keep allegedly awakened people with the crude means of ROME in delusion. Heiko is doing his best to maintain ROME's deception, his receipt for this will also be issued. Even from Austria and Switzerland mentally disturbed traveled to this event **instead of informing the man longing for justice about the backgrounds and agendas of so-called "BRD judges"**.

But not ALL hope is lost, as we can see further down.

Bright people bring down shining descendants within our folk, who present themselves so radiant, beautiful and awakened and who better know how to guide the future concerns of the folk and the homeland, than STUPID-GERMAN can imagine in his wildest dreams.

A (best) example of the star-children mentioned is little Emma. Just six years young, she embodies the purest POWER of our Frya/Ishtar/Isais/Maria. More than other children she knows her way, doesn't allow anyone by no means to take the proverbial "butter off the bread", whereby she is of course alimented in the healthiest way by her knowing parents, without the products of animal-suffering.

Emma is willpower and love at the same time, the image of our primordial mother, source of strength for our holy folk. Her hair braided into a **MAN-rune**, symbol of life and protection, Emma is constantly protected by the higher powers of ours and her own being.

Despite all evil, despite the everyday resentment we experience, Emma gives us joy and at the same time a ray of hope for the future. This little being carries more of the invincibility in herself than a whole legion of the losers, who call themselves German men, who sit their asses flat on the worn couches and tend to have the last piece of chicken-wing still protrude from their mouths, talking about peace and peace treaties, while the termination of animal slaughter, the unnoticed form of cannibalism, outlines **THE purest step towards a peace treaty with all life.**

However, the politics-obsessed don't have this explicit fundamental knowledge. They think to preach peace is enough, however in their actions we only see suffering and war.

"As long as slaughterhouses exist, there will be battle-fields."

Leo Tolstoi

Better than with the words of the wise Brother of Russian heritage, the hidden satanism in our day can not be described. Nearly 70 Million slaughtered animals per year, dear Patriot. And again the accused think, that it has always been tradition within our folk, to end the life of the animals violently. We can see in the ancient scripts, which describe the life of our folk more than 13.000

years ago, when Man, Animal and Plants lived in harmony without Mass-murder, how wrong this assumption is.

Think of the abyss into which our people are heading thanks to their misjudgment. Wouldn't it be time to strip away the evil of mass murder in every form!?

Der Sieg dem Heil.

(As always, so also today: Pass on this message to the millions within our pure folk!)
